COURT TOMORROW ON MURDER CHARGE

Is Smuggled Through Secret Passage Used for Mc-Kinley's Slayer.

BUFFALO, N. Y., Dec. I.-J. Frank Hickey, who has confessed to the mur-der of two boys and a man and to sevral attempts to murder other children after maltreating them, will be arlead to an indictment charging bin losephs, whom Hickey killed in Lacka-wanna City, a Buffaio suburb, more ihan a year ago. Although the district attorney had bad an allenist in the cell with Hickey almost constantly since he was brought from Whiting, N. J., a cek ago, it is not believed Hickey will

week ago, it is not believed Hickey will interpose insanity as a defense. In a statement issued after an hour spent with a Presbyterian minister, Hickey declayed that he was ready to die it the law demanded his life in payment log the three he had taken. In order to guard against any outbreak when Hickey is brought from the county jail to the county courts building, through which Coolgoss was smuggled after his arrest for the assassination of President McKinley, will be used. This passage was used for the lirat time in eleven years Friday, when Hickey was transferred from his cell to the district attorney's office to sign his contession.

Others Want Hickey Ouissed.

lines the confession of Hickey the since and district attorney has been sluged with messages from a half undered cities asking that the murdac f children during the children during the last twelve years up to Hickey.. In all cases the bodies of the little victims showed mitted against the Josephs boy and Michael Kruck, whom Hickey admits fichael Krick, whom Hickey admits underlying in New York ten years ago, hiladelphia, Cleveland, New York altimore, Columbus, Ohio, Boston, and ther cities all believe they have furbland Hickey with at least one vicin. Hickey admits attempt, to kill a lif dozen other children, but insists hat he committed only three murders. Hickey, in his statement, declared that hen quite young a relative had lasquited him. He refused to go linto decities.

tails.
Today the Rev. John W. Ross, Hickey's spiritual adviser, will-visit him
again and an attempt will be made to
learn more of the crimes committed by
lickey, crimes he already has partly
admitted, but of which the district attorno's believes he is holding back importagt details.

Mentified By Victim's Companion. on of Joseph Josephs on the andy in Lackawanna and then murificey trot, the chicken flip, the horse level one of them. He was found at trot, the Texas Tommy, the Gaby glide rents. He was taken to the fall yes- | son, returning to Washington today for

terday morning and Hickey, with two
other men, walked before him.
"That's the man," said the sturdy Httle fellow, pointing a finger at Hickey,
"He bought me S cents' worth of candy
and bought joe S cents' worth of lemon
suckers. Then he told me to run, for
my mother wanted me, and it was getting late.
District Attorney Dudley had a long
talk with the boy and concluded that
the little fellow knew what he was talking about.

Mass Meeting for

Suffrage Is Planned

A mass meeting of citizens of the District of Columbia will be held on Fridgy night. December 12, in the National Capital, but new that it is starting with a rush, necessity to arouse enthusiasm in the movement to secure suffrage for residents of the District. It is expected that several thousand people who have become interested in the movement will be present.

Washington society is about to plunge mady into the series of trots, slides, glides, flips, and other antics done now adds in the name of Terpsichore. Dancing has been resumed somewhat slowly this fall by society folk in the National Capital, but now that it is starting with a rush, necting it is starting with a rush, and capital the movement in the movement will be present.

ast night at the People's Forum, Dr. Theosophical Lecturer Thomas E. Will, executive committee of the District of Columbia Suffrage League, addressed an audience on the subject, in which he declared that, although the movement was scoffed at three menths ago, it had now assumed such proportions that it seemed that victory for the league was in sight.

Dr. Will stated that in the rext Congress bills would be offered providing for suffrage in the District and that some of the most powerful forces in Congress would give them their support. Dr. I. W. Rogers, of New York, na-tional lecturer of the Theoretical So-clety, addressed the Washington branch of the society last in the last in Studio Hall.

Johns Hopkins Man to Talk Here on Reform

A special meting for women will be held under the auspices of the Young Woman's Christian Association this afternoon at 6 o'clock in the First Congregational Church, corner Tenth and G streets northwest, Dr. Howard A. Kelly, of Johns Hopkins University, will Kelly, of Johns Hopkins University, will be the chief speaker, discussing, the theme "The Need of a Sturdy Christian Faith in All Reform Work."

Mrs. Julian Brylawski will be the solo-ist, and special musical selections will be rendered by the Y. W. C. A. Choir of seventy-five voices, under the leadership of Mrs. A. M. Blair. stian report. Pupils mark the day as the solo-will foreign days of intermission due to Thankagiving. For choir aderates the day is noteworthy as being any day. A second pay day this month will come just before Christmas.

HICKEY WILL FACE CARNEGIE APPROVES BURNS RECEIVED HIS NEPHEW'S BRIDE WHEN BARNS BURN

Multi - Millionaire Declares Working Girl Wife Preferable to Duchess.

PITTSBURGH, Dec. 1.-William C. Carnegie, eldest son of Mrs. Thomas Morrison Carnegie and nephew of An-drew Carnegie, was murried yesteday to Ada A. Bell, daughter of Jane Dewart Bell, by Alderman John J. Sweeney in his office. Constable "Jimmie" Boyle was witness. The bride is twenty-eight years old and Carnegie forty-five. They went at once to a five-room flat in Palo Alto street, where the bride has lived with her mother. Her father,

Thomas Bell, now dead, was a work

ingman.

Airs. Carnegie has been a working girl holding whatever position she could procure and supporting herself and mother. The Carnegie family, say they never heard of the bride and know nothing of the wedding. Their inilference does not disturb the bridegroom.

Deceived By Clerk. When asked for details at his mother-in-law's flat, "Bill' said he had been deceived. He thought the clerk at "the marriage license counter was fixed." The bride said. "Johnnie Sweeney should have more respect for his friends that to run around telling all he knows." "Bill" smoked cigarettes, and Mrs

"Bill" chewed gum as they talked,
"It's no romance," said the bride,
"No romance," echoed her husband. "I'm forty-five. We met years ago in Watch Hill, R. I."
"We've been engaged ever since," said Mrs. Bill. "No, never mind what I was doing there," with a victous snap of teeth on the gum.

Wife Is Scotch, Too. "Bill" said during their engagement he had spent most of his time at Denge-ness, the family estate in Fernstidina.

ness, the family estate in Fernandina, Fis.

"The Bells are Scotch, tob." said Mrs.

"Bill" Carnegie. That led to a designion between high Scotch and the Scotch and which was which Mrs.

"Uncle Andy will be glad to know ware all Scotch anyway," decided the bride.

"We will spend the winter right in this flat," said her husband.

laiks on Evolution

219 Connecticut avenue. Dr. Rogers took as his subject "The Evolution Soul, 'explaining the teachings of the

society in regard to that question. The society, he explained, believes that a

society, ne explained, believes that a soul is centuries in the making, gradually evolving, until ultimately it reaches the divine level.

In his conclusion Dr. Rogers stated that when experience of the soul had been transmitted into faculty or power for future expression the soul returns to incarnation for future experience in some future age.

Two Points of View.

Tomorrow will be greeted by pupils and teachers of the District schools in a slightly different spirit, according to

Carnegie Is Pleased Weds With Working Girl

NEW YORK, Dec. 1 Andrew Carnegie, when at the St. Andrew's Society disser in the Walderf-Asteria last night, was told of the marriage of his, nephew, William Carnegie, to a

Pittsburgh working girl. You may say for me," he said. "that I would rather have my nephew marry a working girl than a duchess, if she is the right kind of a girl I do not know this young lady, but I have every confidence in my nephew's judgment and I am

sure he has won a prize. If she is a good girl an American working girl will make him's better wife than any other girl in the world."

udrew Carnegie's favorite niece,

Nancy Carnegie, eloped with James Hener, the family coachman, in 1904. Mr. Carnegle said then: "I would rather have Nancy marry a moral, sober, well-doing coach-

man than a worthless duke."

layer. His mother is one of the rio Sister Eloped With Coathman. His sister Nancy eloped with James Heuer, her coachman, in May, 1904. Three years ago she separated from

him and, with four little children, re-turned to her mother.

Heuer, who was a whower, twenty years older than his bride, lived in New York with his children.

Last summer his wife weturned to him when he was an invalid, and took him to a Long Island cottage to nurse him.
